

INVITATION

Regal Investment Fund (ASX:RF1) – Investor Update and Q&A

Dear investors and friends,

Thank you for your support of the Regal Investment Fund (ASX:RF1).

It gives us great pleasure to invite ASX:RF1 investors, our adviser partners and interested parties to join Phil King, Chief Investment Officer of Regal Funds Management, for an **RF1 Investor Update and Q&A Webinar at 11am on Friday, March 31.**

Joined by Brendan O'Connor, Regal CEO, and senior investment team members, Phil will share his insights into where the team is deploying capital across RF1's range of alternative investment strategies against a backdrop of rising interest rates, inflation and challenging global equity markets.

We're also delighted to introduce investors to Regal's Private Credit strategy and Portfolio Manager Gavin George. The March 2023 allocation to private credit will further diversify RF1's existing investments across public and private asset classes.

Gavin will be joined by Jessica Farr-Jones, Portfolio Manager of the Emerging Companies Strategy and Dr Craig Collie, Portfolio Manager of the Health Care Long Short Strategy. Together they will discuss the opportunities they are seeing in their investment strategies and asset classes and how this is being reflected in the RF1 portfolio.

WEBINAR DETAILS & REGISTRATION

Date: Friday, 31st March 2023
