## COMMITMENT

The Equity Trustees Group (Equity Trustees) is committed to achieving sustained performance and delivering value to our clients and shareholders while maintaining high standards of integrity and ethical behaviour.

Equity Trustees adheres to the relevant principles and standards of ethical and professional conduct and corporate governance wherever we operate.

## PURPOSE

The EQT Group Code of Conduct and Ethics ("**the Code**") sets standards for the way we do things at Equity Trustees and provides a set of guiding principles to help you make decisions in your day-to-day roles.

In some circumstances, this will include times when you are outside your immediate workplace or working hours, for example at work functions, out of hours work activities or when you are out in the community on behalf of Equity Trustees.

The Code is not a substitute for good judgement and incorporates the shared values that guide how we interact with each other, our clients, shareholders and the community, as well as conduct our business.

## APPLICATION

The Code applies to all directors, employees and contractors of Equity Trustees, and its controlled entities, including when acting at Equity Trustees request in operational roles or as directors for other entities.

## REVIEW

The Code will be reviewed every three (3) years.

It is the Policy Owner's responsibility to ensure that, should there be any significant change in the internal or external environment within this time, a review is conducted immediately.

## BREACHES

Equity Trustees takes any breach of the Code seriously. All reports will be investigated and may result in disciplinary action up to and including termination of employment.

Equally, intentionally false or malicious reports may also result in disciplinary action up to and including termination of employment.

## POLICY PRINCIPLES

We all want to do what is right, for ourselves and for the Company.

The EQT Group Code of Conduct and Ethics will help guide you, and defines how directors, employees and contractors should conduct themselves as representatives of Equity Trustees.

No matter what your role or location you are expected to demonstrate the behaviours outlined in this Code, set an example for others around you and speak out when you feel that these behaviours are threatened or compromised.

### OUR SUCCESS DEPENDS ON THE TRUST OF OUR CLIENTS

You must:

- Put your clients first<sup>1</sup>;
- Do what you say you will; and
- Provide excellent service by adhering to our [Client Service Standards](#)

### WE BEHAVE TO THE HIGHEST STANDARDS WITHOUT EXCEPTION

As a Trustee in Australia, the majority of tasks we carry out are done on a fiduciary basis, which means we will *always* put beneficiaries ahead of our own interests.

Our clients, shareholders and the community expect everyone who works at Equity Trustees to act professionally and ethically at all times. In everything you do you should consider how your or someone else's actions could impact on Equity Trustees' reputation and performance and take action to prevent or remedy anything that could adversely impact the Company.

You must:

- Act with integrity and professionalism at all times;
- Display the principles of fairness and objectivity in all your interactions; and
- Avoid even the appearance of improper behaviour.

### WE TREAT EVERYONE WITH DIGNITY AND RESPECT

Equity Trustees values diversity and is committed to achieving a diverse workforce that is inclusive and respectful of each other's differences. Unlawful discrimination, harassment, sexual harassment, bullying or victimisation, or other unacceptable or offensive conduct will not be tolerated.

You must:

- Follow the law;
- Comply with all requirements of your role; and

## **VALUES**

At Equity Trustees, our values represent the core of who we are:

- Trusted;
- Accountable; and
- Empowering

All directors, employees and contractors are required to live every one of our values, every day.

## **TRUSTED**

We are trusted. This means we do what we say we will and put the best interests of our clients first.

## **ACCOUNTABLE**

We are accountable. This means we own our responsibilities and speak up about ways we can do better.

## **EMPOWERING**

We are empowering. This means we give ourselves, our workplace and our community the support, strength and confidence to grow.

## **CONSIDER YOUR ACTIONS AND ASK FOR GUIDANCE**

If ever in doubt about a course of conduct, ask yourself:

- Is it consistent with the Code and our values?
- Is it legal?
- Is it ethical?
- Is it safe?
- Will it reflect well on me and the Company?
- Would I want to read about it in the newspaper?

If the answer is "No" to any of these questions, don't do it.

If you are still uncertain, ask for guidance.
